Experience

FULL STACK WEB DEVELOPMENT| COMPSOFT TECHNOLOGIES-BANGALORE | 2022-09
During my internship at Compsoft Technologies in Full Stack Web Development, I had the opportunity to apply my skills in HTML, CSS, and JavaScript to develop a Resume Builder website. This experience allowed me to gain practical knowledge in building user-friendly interfaces and implementing interactive features. Working closely with the team, I learned about the importance of collaboration and communication in a professional development environment. Overall, this internship was a valuable learning experience.
